

6 March 1982

MEMORANDUM FOR: Mr. James N. Glerum  
Director of Personnel

FROM: Director of Central Intelligence

SUBJECT: Application of

25X1

In light of the evaluation fourteen months ago on the applicant's language qualifications, it is pretty outrageous that he has been kicked around so badly. I don't know whether we should hire him or not but we should certainly have provided him with a decision much earlier and not kept the applicant on the hook this long. Bob Gates is interested in this file.
